Coming Up...

SAT 4th February
[Hockey Morning](#)

TUES 7th February
[Outward Bound Canada](#)

THURS 9th February
[Philosophy Conference](#)

THURS 9th February
[Geography Talk](#)

Welcome to ARK Globe Academy

The [ARK Globe Academy](#), in the Elephant & Castle area of Southwark, was recognised by the Government in its Parliamentary Review 2014 as an example of good practice in education. The Academy has a specialist status in mathematics and the performing arts with an emphasis on music. We hope to all benefit from the Globe 'Growth Mindset'.

Welcome to City Heights Academy

[City Heights E-ACT Academy](#) opened in September 2013 and moved to state of the art facilities in Tulse Hill in 2014. They will reach capacity, including a sixth-form, by 2020. The Academy has a languages specialism and will have its first GCSE results in 2018. We're delighted to welcome such a young school into our partnership and look forward to benefiting from their fresh ideas.

Twitter

The #SSLP is now on Twitter and following many of our partnership schools. Follow [@SSLP_Southwark](#) for live updates. Please contact [Katie](#) if you'll be at an SSLP event and want to Tweet on our behalf.

Outward Bound Canada - Stuart Horne Bursary

Does your school have pupils with potential leadership qualities that would be nurtured and developed on a three week [wilderness adventure in Canada](#)? We have four youth spots available via the Stuart Horne bursary programme. Applications need to be sent to [Katie](#) by Tuesday 7th February.

JAGS History Lectures

JAGS History department has offered up three more thought provoking lectures for this term. On Thursday 16th February there is [Rachel Holmes](#) talking about Sylvia Pankhurst. On Thursday 2nd March it is [Dr Hester Vaizey](#) discussing the Changing role of Gender and on Wednesday 29th March [Dr James Malcom](#) will be exploring the themes of Nationalism and Security.

Looking Back at Last Week

The last couple of weeks have been busy for the SSLP. Take a look at the website for a reflection on our events including our big student conference [God and the Big Bang](#) debating the compatibility of science and faith, the [Alex Bellos](#) Mathematics talk and book signing, and [David Starkey](#) talking about political crises.

In Other News...

Friday 24th February [Big Ideas for Bright Minds](#)
Monday 27th February [CERN Particle School](#)
Wednesday 1st March [NQT Social Evening](#)

Please pass on these opportunities to subject leaders within your school
